FORMAT:

SCRAMBLE FORMAT RULES: All golfers drive off the tee. (Each golfer must use at least 3 drives during the round.) Proceed to the best drive and take your next shots within a club length of the drive. When the ball is on the green, choose which ball will be putted. All putts will be taken from that spot. Record your team score on the score card which will be turned in when the round is completed.

Please turn in score cards to Lauren or Ray as soon as possible, after play. All ties will be broken by matching cards.

Yellow Ball Team Event: The SHOPTECH Ball will replace the "yellow" ball and must be played every hole by rotating players each hole. Order of rotation must be chosen prior to shotgun start.

Person designated to play ShopTech's "yellow" ball will do so from chosen locations. All teams to finish their round and still have the ShopTech Ball will be entered into event. If you lose the ball during play, your team is disqualified. ***Do not spend a lot of time looking for the ball.** Winning team will be chosen by random drawing from remaining Shoptech balls at end of play.

CONTESTS ON THE COURSE:

- First Place Team Prize
- Second Place Team Prize
- **Yellow Ball** Team Contest
- **Longest Drive (#3, Ball must be in Fairway).**
- Two **Closest to the Pins (Holes 5 & 9. Ball must be on putting surface.)**

3rd Annual **DEAD ASS LAST** Award

GENERAL RULES TO REMEMBER:

- Preferred lies in your own fairway
- Please keep carts on paths when available and in the rough at other times.
- Please replace divots and repair ball marks
- No kicking, screaming, spitting, crying or throwing your clubs!
