

Guide to Member Services Fact Sheet

SERVICE: *Business & Legal Reports (BLR) Resource Centers*

Teaming with BLR, NTMA provides three online resource centers to help members avoid legal problems by providing expert answers, compliance analysis, tools, literally hundreds of training resources, and continuous news & weekly e-newsletter updates.

Safety Resource Center

- Hundreds of downloadable training resources.
- Industrial safety training meetings and checklists.
- Federal and State compliance analysis.
- Safety best practices.
- OSHA regulatory developments.

Environmental Resource Center

- Practical RCRA, CAA, CWA, hazardous waste regulatory analysis and activity, news and compliance tools.
- Detailed environmental information and tools on federal EPA and all 50 states. Full text regulations available.

HR Resource Center

- State and Federal HR Compliance Answers in Plain English.
- Professional job descriptions, checklists, training meetings, and forms.
- Extensive Q&A database.

Member Savings:

A single subscription to these resource centers retails at over \$2,500 per year. However, as an NTMA member, you can access all of these services **FREE**.

No need to sign up or register. Just log into the NTMA website at www.ntma.org, click on the Resource Center link, and start taking advantage of this valuable member benefit.
