We're thrilled to offer our members a special preview of some of the most advanced machine tools available. Methods has kindly invited BTMA, in advance of its May 1st Open House, to view this equipment in the *newly updated and expanded* technology show room in Sudbury, Massachusetts.

A total of twenty-eight machine tools will be featured at the event. These include:

- ❖ **Matsuura high productivity palletized horizontal and vertical machining systems**
- ❖ **Nakamura twin-spindle multi-turret turning centers**
- ❖ **RoboDrill B compact 30-taper machine**
- ❖ **Maier Swiss CNC Screw machines**
- ❖ **Fanuc i Series wire EDM**
- ❖ **exeron® CNC Die Sinker EDM**
- ❖ **Top EDM hole starter machines**

Doors for our "tech preview" will open at 5:30 PM. The event also will feature a dinner buffet, catered by **Cordelia's**, beginning begin at 7:00 PM. Association business and remarks by Mr. Scott McIver, Methods Machine Tools Chairman of the Board, Mr. Bryon Deysher, Methods President and CEO, Mr. Terry Carney, Vice President of Sales for Methods and top-level factory representatives will follow dinner.

**So, Come On!
Shake off the "winter doldrums" and join us
at Methods Machine Tools on April 30th.**
