

Key to Local Federated Chapters & Non-Affiliated Associations

33 LOCAL CHAPTERS & NON-AFFILIATED ASSOCIATIONS SERVE NTMA MEMBERS ACROSS THE COUNTRY

NTMA's 33 local chapters and non-affiliated associations across the U.S. provide invaluable service to NTMA members on a day-to-day basis. They provide the framework for an effective program of local and regional programs and services. Because most of these groups are organized on a committee system, similar to that of the national Teams, they are able to translate programs, activities, and services of the national association to the local level.
